# The Clan Cycle Stunt Team

The Clan cycle stunt team are on their way with their crazy stunt show to The Highland Games this year.

The stars of Scotland's cycling community have appeared to over 250,000 people live in the flesh, over 1 million on television and tens of millions with their crazy online videos, and now their stunts are to be acted out live for audiences attending the Highland Games

Now the talented group are coming to show off their scary talents on their custom-built stunt rig. Expect to see bikes flying over your heads, doing amazingly skilful tricks, big drops, leaping gaps and even riding over each other!

Clan manager Ruth Asbery said: "We're really looking forward to the event. It's great being able to take the talents of the most extreme cyclists in the UK into the community. We especially love the reaction on kids' faces when they see what can be done on the bikes"

To whet your appetite for the performance, why not go to [www.clanstuntshow.com](http://www.clanstuntshow.com) where you can see videos of the team in action, photos and much more.

# “THERE’S A NEW TRUST IN TOWN!”

Milngavie Community Development Trust is run by volunteers. It's aim is to make good things happen, for the people, by the people!

We have already, as you can see, brought back Milngavie Week and we have lots more planned.

Progress is being made with improvements to Lennox Park, Oakburn Park, the pond and surrounds at the CE Centre, renewable energy, the start of the West Highland Way. And there will be another Fair of Clubs and Societies in September!

If you have some time to volunteer for any of this please get in touch with us at [info@milngaviedt.co.uk](mailto:info@milngaviedt.co.uk) or [www.milngaviedt.co.uk](http://www.milngaviedt.co.uk)

The heritage of Balmore Coach House continues in Milngavie...

# Gavin's Mill

## Fair Trade Shop & Café

### Enjoy our home made food & cafetière coffee

Light Lunches, Delicious Home Baking, Fair Trade Drinks and Orkney Ice cream.

Gavin's Mill, the old water mill from which Milngavie takes its name, is fast becoming one of the popular attractions on the north of Glasgow. The building goes back to the seventeenth century and was a working mill until the 1950s. Now it's found a new lease of life as a Fair Trade shop and café, stocking a wide range of world and local crafts and foods. It continues the heritage of the Balmore Coach House but the more generous proportions of the Mill allow for new products: a lovely range of soft furnishings: rugs, throws and cushions, recycled aluminium bowls, suncatchers, fine art cards, walking and local history books, toys, instruments, children's cardigans from Peru, woven shopping bags from Burma and a fine selection of Highland Stoneware mugs.

The shop also stocks an impressive variety of vegetarian & gluten free food, teas, ground and bean coffee, rarer soft drinks, flavoured chocolate and snacks. We have a must-try range of foods from the pioneer of fair trade in Holland: herbal teas, juices, chocolate sprinkles and curry pastes.

Ideally situated at the meeting of the West Highland Way and the Allander Walkway, this is a great place to enjoy the Spring, to find some original and interesting gifts to browse and to enjoy the home baking, homemade vegetarian and vegan soups, or oatcakes and cheese in the café, even sitting outside on warmer days on the patio, by the river. Gavin's Mill is situated by the underpass in Tesco car park, a short walk from Milngavie Station.
